

Renew

The renewal of our parish means much more than improvements to our physical campus; it means spiritual renewal as well. We are taking the opportunity of our 25th Anniversary to rededicate ourselves to our patron, St. Michael, and to grow together and with God as a spiritual family.

One of the key pieces of our spiritual renewal will be rededicating our parish to the patronage of St. Michael through the daily recitation of the St. Michael Chaplet. This devotion, which has been integral to many beloved saints, will allow us to deepen our spiritual commitment in community.

I encourage you to join in praying the chaplet with us. Cards with the prayers of the chaplet are available for you to pick up at the Welcome Desk. You can also order a custom-commissioned St. Michael Chaplet at stmichaelcary.org/25Anniversary. Please join us in invoking the powerful intercession of St. Michael the Archangel and all the choirs of angels as we spiritually and physically renew our parish!

- Fr. Michael Burbeck, Pastor
